After Early Show of Strength

NEW YORK, Aug. 8 .- Prices moved within irregular trend in today's fairly active stock market session. Inabil-ity of poels to attract an outside fol-

upward movement in mail order and chain store issues. Studebaker was slightly reactionary. Other losses were

confined to small fractions.

CALD MONEY

The market strengthened during the first hour, rails, merchandising and public utility shares leading the ad-vance. Towards noon, however, short pressure was directed against motors. hippings and some of the foreign olis, the general list weakening as a result Additional new high marks of the year were made by Omaha, Chicago and Northwestern and Lackawanna rallroads, which were up 114 to near-ly 4 points. Coal sticks responded to by 4 points. Coal stress respondent to the better news regarding a strike set-tlement. Burns Brothers "A" and "B" Pittsburg Coal and Pond Creek ad-vanced 1 to 1½ points. May Depart-ment Stores and Detroit Edison broke through for new high sales at gains of two to three points. When the of two to three points. When the bears began their attack, Marine pre-ferrd and International dropped 1½ points each, while Studebaker and Chandler Motors declined even lower. Chandler Motors declined even lower. Willys-Overlan preferred broke sharply, dropping 6 points. The reaction aclo extended to Baldwin, Great Northern preferred, Royal Dutch. Corn Products, Manti Susar, Adams Express and Market street Railway second preferred, which were down 1 to 2 points.

Attack Weakens Entire List Principal Trade of Three New Republics With Great Britain

NEW YORK, Aug. 8 - The recognition by the United States government of the three Ballic states of Esthoria. Latvia and Lithuania londs interest within irregular trend in teday's fairly active stock market session. Inable of the three Bail's states government Chan ity of pools to attract an outside following at the incher level of prices and a weakened technical position encouraged bear attacks. These were directed against motor and shipping shares, weakness of which undernined the whole list after an early show of strength. The advance was resumed later but realizing sales limited its ecope. Sales approximated 750,000 shares.

The upward movement was resumed in the last hour in response to the demand for high grade ralls, equipments and some of the specialities, but this was checked towards the close by profit taking. Baidwin and Comproducts led the rally at gains of approximately 3 to 4 points, while oman. Chicago and Northwestern and Lackawanna railroads moved to newhigh revies. The closing was irregular high strike situations, rails shares being in good demand, and making moderate gains. Pere Marquette and Great Northern preferred rose fractionally to new high records for the year, while gains of half to I point were made by Illinois Central, Northern Pacific, and Southern railway preferred. There was active bidding for equipment shares. Baldwin and American Locomotives rising 1% and lay points respectively, each to a new peak price for 1922. Mexican Petroleum, which shot up 1% points featured the oils, while Sears Roebuck and May Department Stores led the upward movement in mail order and chain store issues.
